

## HUSKY DOG - THE MAGIC SLED DOGS WORLD

The headquarters of the activity is the wonderful natural basin at the **Malga Peziè de Parù** Farmhouse and Restaurant, a few minutes drive from **Cortina d'Ampezzo** in the Pocol Area, Provincial Road 638 towards Passo Giau.

In collaboration with the **Sports Association International Mushing Sleddog School** from this Winter it is also possible to make unforgettable excursions on the snow in Cortina d'Ampezzo driving a sled pulled by festive Husky sled Dogs, protagonists of travels and adventures in the Arctic and the Alps.

It will be possible to carry out a **Lesson with a subsequent Basic excursion on snow for beginners** (a detailed approach to our Sport) lasting a total of 30 minutes which include the initial theoretical lesson of driving and behavior with Dogs + the preparation of a sled with an adequate number of Dogs + excursion

to the personal guide of a sled assisted remotely by our Staff in the ring School for beginners + final activities with the Dogs after arrival.

This activity is suitable for anyone with a minimum of physical fitness, **from the age of 6 onwards** and allows you to establish a fantastic relationship with our sled dogs. Younger children (possibly together with a parent) and people with disabilities, go out accompanied by an instructor driving the sled. **The recommended clothing** is classic ski clothing with a full suit, or sufficiently warm trousers and windbreaker, gloves, hat and any glasses. **Shoes like après-ski or trekking**, not bulky and with a well-structured sole (we do not recommend Moon Boots) to allow you to move easily on the snow.

Your Instructors and Guides will be **Ararad Khatchikian** and **Monica D'Eliso**, the only Italian mushers (sled drivers and Dogs) who have participated in international competitions like **Iditarod, Yukon Quest, Alpirod & Transitalian**, adventures and teaching experiences in **Alaska (USA), Canadian Yukon, European Alps, Iceland, Swedish and Norwegian Lapland**, literary authors and TV consultants for RAI and TG5 Animals News \* L'Arca di Noè \*. They will be happy to share their many years of experience with you also with their exciting stories.

**The places available are limited** and the activity takes place **exclusively on compulsory reservation** and once the minimum number of participants has been reached, **every SATURDAY and SUNDAY** starting from December 2020, **from 9 to 12 am and from 14 to 16 pm**. In case of bad weather an alternative day and time will be agreed.
